### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

We have adopted and implemented a Mentoring System as a student support measure. We offer a highly-efficient Mentoring system through which a group of students consisting of 20 students are assigned to a faculty member at the commencement of the program. Mentors meet their students and guide them with their studies and extra-curricular activities. They also provide advice relating to selection of major, career guidance and personal problems. The mentors act as guides to the students during projects. The mentoring system of college ensures that the students adapt to the dynamic learning environment and lead their ways into highly successful careers. The mentor also guides his wards in how much they should try to achieve and how. The teacher mentor collects personal information from the ward without touching sensitive issues or forcing any information out of the wards and then provides the needed counseling to the wards. Critical issues are brought in the notice of the Head of the Department. The teacher meets the wards informally outside class hours as well and guides them regarding their career options.

Types of Mentoring:

- Professional Guidance – regarding professional goals, selection of career, higher education.
- Career advancement – regarding self-employment opportunities, entrepreneurship development, morale, honesty, and integrity required for career growth.
- Course-specific – regarding attendance and performance in the present semester and overall performance in the previous semester.
- Lab-specific – regarding Do's and Don'ts in the lab.

Responsibilities: The Mentor

- Continuously monitors, counsels, guides and motivates the students in all academic matters.
- Advises students regarding choice of electives, project, etc.
- Contacts parents/guardians if situation demands e.g. academic irregularities, negative behavioral changes and interpersonal relations, detrimental activities etc.
- Advises students in their career development/professional guidance.
- Keeps contact with the students even after their graduation.
- Intimates HOD and suggest if any administrative action is called for.
- Maintains a detail progressive record of the student.
- Maintains a brief but clear record of all discussions with students. The HOD
- Advises mentors wherever necessary.
- Initiates administrative action on a student when necessary.
- Keeps the head of the institute informed.

### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

**Best Practice- 1 TITLE OF THE PRACTICE: "EARN WHILE YOU LEARN SCHEME" 1) Introduction - This college cherishes the principles propounded by the late Dr. Karmaveer Bhaurao Patil right from its establishment. One of the most important principles viz. "Earn while you Learn" or "Education through self-help" which is the motto of the Rayat Shikshan Sanstha is followed in this college. The execution of this principle in this college has always been beneficial to a great number of the economically backward students. 2) Goal- a) To help students seek "Education through self-help" b) To promote a sense of self-confidence among students. c) To enhance the sense of brotherhood among students 3) Context- "Earn while you learn" or "Education through self-help" is the motto of the Rayat Shikshan Sanstha which is fulfilled in the college. The execution of this principle in this college has been beneficial to a great number of the economically backward students. 4) Practice- On an average, 20 students are admitted in this scheme during an academic year. During the academic year, numerous kinds of physical work are carried out by these students. They till the agricultural land owned by the Sanstha near the college campus. They take care of all the growing trees which are planted from time to time. They have produced and sold a variety of vegetables and flowers. Milk distribution and co-operative stores are organized by the students of the Scheme. In addition to this, they have kept the whole college campus neat and clean and have worked in the college garden. They also assist the college center of the Indira Gandhi Open University. Periodically, they work in the college hostel and the college Library especially in matter of hard physical labour. They also help college staff at the time of important college events.**

The students who participate in this scheme are provided with all the facilities like free of cost lodging and boarding in the college hostel. They are preferentially given concessions in the academic matter. On personality development ground, methods of mentoring are rendered to them. They are also given one full dress every year. Even the medical facilities are provided to some students who suffer from temporary illness. After getting the degrees they themselves feel proud of being the best students of this college. 5) Evidence of Success / Outcome - The most important thing about this scheme is that students develop a sense of self-confidence and serve the society with the sense of brotherhood. Some of the alumni of the said activity are rendering their services in a variety of domains of importance. Following is the list of them: EARN AND LEARN SCHEME : ACHIEVEMENT Sr. No. Name of students Posts / Positions Held 1 Shri. Khande B.M. C.A. 2 Shri. Shendge M.S. C.A. 3 Shri .Chavan S.K. C.A. **Best Practice- 2 TITLE OF THE PRACTICE: "TRADE FARE DAY"** We are committed to bring in application among students for the prospective business personnel! 1. Goal The practice has clearly underlined objectives: o To nurture and support the business vision among young and enterprising students. o To align classroom teaching with the experiential learning of marketing. o To enable students to learn the 7Ps of marketing viz: Product, Price, Place, Promotion, People, Process and Physical evidence. o To prepare students to confront challenges, surmount difficulties and capitalize on the available opportunities. o To teach students to deliberate, analyze and strategize to sustain in the competitive and dynamic market place. o To provide a good ambience and creative environment for the all- round development of students 2. The Context Our college is a reservoir of energy, tremendous potential and immense creativity. It is the challenge on our part to tap these hidden gifted resources and get the best out of them. Channelizing their energies in the right direction and tapping their latent potential was a big task. We have initiated a decent platform to address the entire edifice of marketing. 3. The Practice The College provides a platform and an infrastructure to display marketing skills of students. To align textbook learning with practical orientation of Marketing as a subject, the groups comprising 20 students install a stall to sell something on the college campus. Items on sale are entirely prepared by the group. Nearly 80 stalls operate on the day selling various eatables, fun activities, commodities, services etc. Students are instructed to carefully select products to sell, taking into consideration the needs, tastes and current demands of the people. Students themselves, through their brain storming sessions, price the products rightly taking into consideration the purchasing power and capacity of the people to buy the products. The students come up with innovative schemes and strategies to lure the customers. More than 15000 people that include alumni, parents, businessmen, eminent personalities from various places visit the Day. On an average, the turnover of the event is estimated worth Rs. 10 lac. The students themselves manage their selling ware from wholesale markets, transportation, several promotional tools and techniques are employed by students themselves. All promotional techniques like Advertising, Sales promotion, Publicity and Propaganda are used by students. The colorful extravaganza of posters pictures, excitement energy, zest and zeal turn out to be 'a talk of the day' on the College campus. The students basically learn to segment, target and position their products in the real market. They also get an opportunity to understand complex customer psychology. The new buzz in town is Trade Fare which draws students, teachers and the administration staff not only from the college but also from the neighboring colleges. 4. Evidence of Success.
